Marketing Summer Trainee

We are looking for a *Summer Trainee* to work in the Marketing Team at Marioff Corporation Oy.

The summer trainee will participate in marketing communications initiatives, working together with different internal and external stakeholders. You will have the opportunity to utilize your creativity hands-on and practice your content creation skills while learning what it is like to work in an international environment with high technology products. The length of the position is approx. 3 months between May-Sep.

Job responsibilities:

- Prepare, produce and publish content on Marioff LinkedIn channel
- Produce visually appealing sales tools e.g. presentations
- Update Marioff Mediabank
- Update Marioff website, marioff.com, knowledge and experience of content management system (CMS) Drupal is appreciated
- Support in an administrative work in the team

To succeed in this role you should:

- be a student majoring in Marketing or Communications, and close to graduation
- be interested in digital marketing e.g. Website, Social media, Google
- have experience in MS office tools, Adobe InDesign and Photoshop
- have proactive way of working, positive attitude and team player skills
- have excellent working proficiency of English language.
