SPARE PART SALES COORDINATOR – Summer Trainee

We are looking for a **Spare Part Sales Coordinator** for our global Marine & Offshore Business Unit for the summer season 2019. As a Spare Part Sales Coordinator your main responsibilities are spare part quotation preparation and order processing in an international customer interface for a defined Marine customer group. You will also follow up the spare part shipments, participate in overdue invoice collection and give technical support to customers related to spare parts.

The duration of the summer job is app. 4 months and the start would be in May 2019.

You, as an ideal candidate have an active, customer oriented service attitude. You will enjoy working in a team environment and also have an ability to think and act independently and take initiative when required. The successful applicant will own good communication skills in English and is comfortable working in an international business environment.

To be successful in the role you have:

- Bachelor student in Business, Engineering or Logistics. Recently graduated candidates will be considered for this role also
- Sales and customer oriented attitude
- Fluent English, both spoken and written
- Detail-oriented and good prioritization skills
- Ability to work systematically with multiple tasks at the same time
- Proficiency in MS Office tools
- Positive attitude and eagerness to learn
- Ability to work in a fast changing environment with tight deadlines

We also value:

- Marine & Offshore business knowledge
- Experience in international B2B atmosphere
- Finnish and other language skills

We offer you a dynamic and international work environment in a company with high technology products, a strong growth strategy and people who are passionate about fire safety. The position is located in our modern and functional office premises in Vantaa. At Marioff we value diversity in all its forms and we believe that it is our excellent, highly skilled people who make success, competitive excellence and innovation happen.
